Do you know someone who deserves special recognition?

The Tomahawk Leader is seeking nominations for the

2007 Tomahawk Community Awards

Part of a 5-decade-long tradition of honoring service and leadership,
sponsored by the Tomahawk Leader and hosted by Inshalla Country Club

Award categories: Circle one:

• Distinguished Service Award – The most coveted of honors. Recognizing a long history of community service, exemplary accomplishments or that “unsung” hero.

• LEADERShip Award – Citing outstanding leadership, typically over a significant length of time, within a community, organization(s) or position(s).

• Employer of the Year – Traditionally nominated by one’s employee(s), but can come from elsewhere. Recognizing a great boss, outstanding involvement, contributions to business or community, unusual circumstances.

• Outstanding Youth LEADER – Outstanding academic, extracurricular and community accomplishments by a person age 18 or younger.

(The Tomahawk Leader also will present the annual Community Appreciation Award to an area group that’s provided long/special service)

Using separate attachment(s) cite the reasons why you believe the nominee is worthy of recognition. Be as specific as possible; judging will be done by a panel independent of the Tomahawk Leader and members will rely heavily on the information submitted. Additional letters of recommendation are suggested.
