

Directory of  
Voluntary  
Organizations  
in the area of  
Tomahawk, WI

1st Edition,  
Spring, 2011

Introduction

---

The following words are by Jim Payne, creator and editor of the Directory of Voluntary Organization in Sandpoint, ID, with his permission and encouragement: “The voluntary sector plays a vital role filling human needs in many areas. This sector also plays a moral and idealistic role by demonstrating that social problems can be addressed without relying on the threat of force. In their humble way, voluntary groups demonstrate that we can rely on enthusiasm, sociability and generosity to meet community needs. In a world vexed by violence and coercion, volunteers are quietly implementing the ideal of brotherhood that makes for a better world. I have compiled this directory to help strengthen voluntary groups in our community by helping them connect to volunteers and donors.” Thank you Jim for inspiring the Tomahawk Directory.

This first 2011 Tomahawk Directory includes 68 organizations reporting.

*This Directory is our gift to the citizens in and around the Tomahawk Area who care so much about its people and environment that they get involved.*

The organizations in this directory have been grouped in the following ten (10) categories:

- 3. Sports
- 4. Health and self-improvement
- 5. Environment and facilities
- 6. Arts and culture
- 7. Hobbies and recreation
- 8. Production and commerce

- 10. Religion

Accuracy and thoroughness has been attempted. Additions and corrections will be processed next year.
